Gentlemen, you never got in the race as a team. Off the line you dropped back into the pack and did not start racing 'til the half-way point. By then the front runners had long gone. We should have had two of you in the top ten. All this is history now and can be used as experience for the future. We do have a solid Frosh team; one that is clearly the best Freshman team in League. So get up your enthusiasm, use this year as experience so that you will take over next year and dominate this League for the rest of your High School running. You have a great challenge. I believe most of you can meet
